**Answer to Last Week's Trivia Question:**

The SYMBOL MOST ASSOCIATED WITH St. Patrick's Day is the Shamrock.

***Remodel? Move? Buy a New Home? Ohhh... What To Do?***

You are sitting at home, and your wife says "I think we need to freshen up the look of our house, you know, remodel the kitchen, maybe the bath, and move some things around." (If you ARE the wife, then you know from where we are talking).

Ugh-Ogh – better give **Doug Airey of Doug Airey Homecare** a call! That's right, Doug is your man for everything from major remodels to kitchen and bath repairs, to that list of "To-Do's" that seems to grow with each passing week.

Doug has been learning the trade all his life, but started taking it seriously a few years ago. Having done more in his life than most do in their entire lives, he is very comfortable doing his appointed tasks.

When he took on real estate investing, that is when he realized that home repair was a necessary evil in keeping his costs for maintenance in line.

He now has enough tools, hardware and equipment to fill a truck – having whatever it

takes to make a project happen. And if he doesn't have it, Home Depot or Lowe's are but a few miles away.

Doug has come to love helping a home owner transform their unfinished basements into luxurious living spaces. From faucets to a whole house re-design, from small to large projects, Doug can carry the load.

If you have doors that don't close, drippy faucets, or other annoying little things, make a list!

Many of the Prospectors can attest to Doug's meticulous attention to detail he gives each project. He is clean, efficient, and priced at about the median of other remodelers.

Many members have experienced the Airey difference, and we Thank You for all you continue to do for the Club.

Those that have used Doug for anything owe him a huge Thank You for being there when needed, and even those when he wasn't.
