The best and most beautiful things in this world cannot be seen or even heard, but must be felt with the heart.

IMPORTANT WINTER REMINDER !! CHECK THE NEWS AND WEATHER ON THURSDAY MORNINGS!

Prospector's Club meeting policy is that if the SHAWNEE MISSION Schools cancel classes, then we will have NO meeting that day. Be sure to listen to the latest news Thursday mornings to see if classes are cancelled.

Answer to Last Week's Trivia Question:

'The Wizard of Menlo Park' who said, "Genius is one percent inspiration, ninety-nine percent perspiration", was none other than Albert Einstein.

There's Dirt In Places You've Never Imagined, Until Someone Shows It To You.

It is so good to have those that are new or have not spoken to take their rightful turn in front of the Prospectors. Why you ask? Because there is many times so much more we don't know about what we each do, and last week was no exception.

When you met **Brad Page of Guaranteed Carpet Cleaning**, that is what you would have assumed. He does carpet cleaning. Nothing is further from the truth, Mon Frere. Brad's business philosophy comes from his emphasis on customer service. His company stresses this in every contact they make. The customer is #1!

So of course, GCC shines when it comes to carpet maintenance. They do both Steam and dry cleaning. They use a steam cleaning process with a state of the art equipment. They pre-treat your soiled carpets with a **100% non toxic** carpet cleaning solutions. This ensures the soils will be suspended for easy removal. Spot treatments will take place before during and after the cleaning to remove even the most stubborn spots and stains. Their speed dry process will ensure the fastest dry times possible for your carpets. After completion they will inspect

the areas cleaned and apply Scotch Guard stain protection if requested. Once all procedures are complete they will make sure that you, the customer are **100% satisfied** with their work and results.

But here is where GCC shines because they do lots of other service options. These include fabric and textile cleaning, meaning things like furniture, chairs, and draperies. How about if you have a tile or vct floor? No problem. They can bring the original luster back to your floors, and clean the grout that has turned a dark gray to its original white color again.

And last, but certainly not least, if you experience the worst case scenario – water damage – then Guaranteed is your guys to call. They are very experienced in water restoration. Speed is of the essence, so when a problem like this occurs, the faster you call, the better chances they have to rectify the problem and get things back to normal.

So if you need your floors or furniture brought back to life, be sure to give Brad a call and let him guide you through the process. Glad to have you aboard Brad!

FOOD / SERVICE ISSUES WITH WEST CHASE GRILLE

We have been meeting at **West Chase Grille** for a year and a half, and have a great relationship with John Westerhaus and his staff. If you have ANY issues related to food quality, the facility, or service problems, please relay that information to **Jim Bell** or **Kevin York** and we will make sure it gets addressed immediately, and that you will be responded to in a timely manner.

We always strive to make your dining experience the best it can be.

WE ARE AT WEST CHASE GRILLE THIS WEEK !!
