Have You Seen A Cactus – Kind of Prickly on the Outside, But Tender and Soft on the Inside – Like Some People We All Know?

With Mother's Day coming up this Sunday, we found out last week that there was no bigger gift to the world than when Mrs. Hutchison gave birth to her son, Eddie back in 1941. This planet would never be the same!

Ed Hutchison was and still is a man with character, business savvy, guts, and enough common sense to turn lemons into lemonade, and be successful in everything he touches.

Ed has a deep love for this country, USA, and showed it by serving proudly in its military forces. As a young man, he had no fears, and began his soldier career in the Air Force. He has flown various aircraft in his career, from T-37's training others on it, C-141 cargo carrier planes, to Huey and Cobra helicopters in Nam.

He has seen the world from many ports of call, and prides himself in learning about politics and culture from the many friends he has made along the way.

With his bride and family back in the KC area, worked for the railroad, and was beginning to make a nice living for himself.

That is when he decided to take over the bug business from his brother, hired independ-

ent contractors, and began building the biz.

He also was always a entrepreneur of sorts. He dabbled in real estate, and other ventures, including opening a Fri – Sat restaurant for dinners in or near Ethyl, MO, giving their residents some much needed choices to go to for "fine dining". He has since built a home on his property there, and his bride of 50+ years has joined him when he ran the joint there.

He decided to keep it small and simple, and watched when rates began to inch up. Those indicators is what drove Ed to live his dream on a lake with acreage to spare.

Ed loves what he does, being able to advise what treatments work best to getting rid of all kinds of the creepy crawlies.

Frechin Pest Control treats aunts, termites, silverfish, spiders to some extent, and whatever else sends the willies up your spine.

There is no better man than Ed when it comes to taking his success in life and quietly making sure others are helped by his kindness and service. For all that you do Ed, above and under the radar, we Thank You!
