Linda has been in the game for a while and has the experience and fortitude to direct a new marketing campaign or work with you to better connect your brand to the public and to your personal client base.

Cherry-Pickers Marketing tries to honest and straight-forward in how they interact with their clients. She tries to follow the philosophy of keeping it simple (K.I.S.S.). To accomplish this, she sometimes assumes the role of a counselor, asking inquisitive questions.

Prospectors Club Power Breakfast with Jim McGraw of Marion Laboratories

Remember Ewing Kauffman? He was the owner of the Kansas City Royals and also started a pharmaceuticals company called Marion Laboratories. We are honored to announce our Power Breakfast with Mr. Jim McGraw, who was one of the original people involved in the growth of Marion Labs from its infancy.

The author and presenter of this program is uniquely qualified.

Jim McGraw is the former chief operating officer, corporate officer and board member of pharmaceutical firm Marion Laboratories, and former Chairman of the Ewing Marion Kauffman Foundation Board of Directors, a leading voice for quality education, entrepreneurism and free enterprise. Jim was there with Mr. K as Marion Labs became the hottest stock on Wall Street and made millionaires out of assembly line workers and secretaries. Jim will share his insights and experience while showing us ways to succeed in our businesses.

This is a great chance to bring guests to share the expertise of an outstanding speaker and mentor. When thinking of inviting guests, we should target prospective new members, past members in good standing, and other professionals with whom we have both business and personal relationships.
For this special Power Breakfast, the cost for all guests attending will be $15.00. You can purchase your tickets online at Event rite by going to this link:-
