

The Easy Safe Way To Have Your Junk in a Truck Is Making The Right Call To You Know Who

As we all get a bit older, there are life changes in our families that present themselves to us. There are parents that are downsizing, some that need assistance with living arrangements, and others that pass on. Each of these instances require dealing with a lot of personal household items – furniture, clothes, appliances bedding, books, tools, tons of stuff that you need to get rid of.

So when that need arises, who do you call? Certainly not GhostBusters! But you should have on speed dial a guy named **Rich Sirna (or his brother Bill Sirna) of Sirna Brothers Hauling.** Rich and Bill have been building their clientele for years and continue to expand their markets in many directions.

Rich and Bill handle hauling / taking away debris for both residential as well as commercial businesses. You have a stove, or washer / dryer you need gone? Call Sirna! How about a old big screen TV or brush, leaves, and yard waste? Call Sirna! How about a whole home that you need to have cleaned out before the new

owners close and take possession? Call Sirna!

They can do pick-up of large items, debris, even complete clean-out of a basement, attic or garage. No job is too large or small! There has even been people who need to have demolition materials removed – they do that too. They have facilitated those that are closing out an estate to help them clean out all that is needed to transition the sale.

And if you own a small to medium sized business, They can help in so many ways. This involves removing office furniture in good condition or removing older furniture from an abandoned rental property.

When they take and haul all this stuff away, what gets done with it? Well, it just depends. Seems that if it still has a useful life in it, it goes to a donation for a good cause. Nothing is put to waste here. They try and recycle in whatever means they can.

So if you have excess furniture, see Rich or Bill. They can make you feel so much at ease in taking out excess inventory, removing debris in an office built-out, and can facilitate picking up items from a Home's Association, as well as a Realtor's Home Listing Associations.

Phoenix Family Foundation

As you have heard mentioned at breakfast, I am working with the Auction Committee for the Annual Celebration with dinner, and silent and live auctions. This year's theme is "Party like it's 1999". It should be a fabulous evening and I encourage you to consider attending.

Phoenix Family Housing is a great organization. They provide transitional housing for many low income families, and seniors. Please go to www.phoenixfamily.org to find out more about the event and the organization.

I hope each of you will join me in donating to the auction for the event. Any gift card, or creative sponsorship is appreciated. First National Bank is providing a KU jersey signed by Bill Self, Chris Pickering has donated a gourmet dinner, and I will be working with Buckley's Wine market to donate a private wine tasting.

If any of you have a second home that you would consider donating for a few days or a week, that is always greatly appreciated!!!!

At the moment, I just need the commitment, along with the value of the donation. In April, I will arrange to pick up the donation.

Thank you so much for your help and generosity!
