Not many of us learn at a young age what our destiny in life is. But a select few have experienced jobs that help form a road map to success.

One of those lucky enough to follow that road is Ken Eidson of RBC Wealth Management. You see, Ken’s track record is truly a map that has lead him through success in life like no other.

He learned his work ethic at a very young age tending to a dairy farm when his father was injured. “Early to bed, early to rise” was his mantra for almost a year. He still carries that philosophy with him today, but he produces something more special than milk. He produces financial security.

Ken has worked his way from paper routes to selling bibles, through working in retail companies and management. All this time he honed his people skills – learning how to treat his clients. This would surely reap large benefits in his future endeavors.

So what exactly does Ken do? No matter how old or young you are, you will never fully understand how today’s fast-paced financial markets work. Ken is there to give you guidance and advise you on how to maximize your investments and do it in a way that allows you to focus not only on what is happening today, but what may occur 10 to 25 years down the road.

He truly works with money in motion. If you are employed, what 401K is your best investment? Do you have kids and need to save for college? Getting close to retirement? Or are you doing so well you have excess income that you need to invest for the future?

Ken has the skills, education, and expertise to assist in all those areas. He is a Certified Financial Planner and takes refresher courses every year to stay abreast of all the latest strategies.

Cont’d From Page 1…

He began in this business in 1983 and has always made changes throughout his career that would benefit his client’s interests. Ironic that the company that he started with over 30 years ago was bought by RBC and is now part of the organization he works for.

RBC Wealth Management is totally client-friendly. They can accommodate most all types of investment profiles. This is who he began his career, and he has come full circle to work with those that got him started years ago. Cool story.

It was not long after beginning his investment career that he was introduced to the Prospectors group. He joined back then, and has never looked back. Prospectors is such a huge part of Ken’s business, both those using his services, and Ken being able to use and recommend the rest of us to his friends and colleagues.

Ken – Thanks for your past service to the Club and for all you do to make sure we keep informed on the latest news when it comes to securing our future investments.

Thursday, October 22nd – Annual Give-A-Bear Fundraiser Auction - $50 in advance; $75 at the door. Contact Kevin York for more details.
Operation Give-A-Bear has given bears to over 26,000 kids, making their days brighter when they didn't have much reason to smile. You are invited to help us raise money to buy even more bears and bring more smiles to kids all around in Kansas City and surrounding areas.
Saturday, October 31st - KC FUN TROLLEY TOUR –
departs from Union Station at noon promptly – lasts
approx. 1 hr 45 min. – Cost $20 per person – several
seats still available.

Tour of KC - we had one last year and for those of us that could go - it was a
blast! That was when the picture was taken of the presidential candidate, Rich
Sirna.

We will meet at the Union Station - most of us got there early and met inside and
got on the Trolley at noon. The ride is about 1 hour and 45 minutes and takes us
around the city at points of interest. You can bring your cooler with your beer or
sodas & snacks. The cost is $20 per person. This will be billed on your next
statement.

For those of you that would like to meet afterwards at the Italian restaurant
Anthony's downtown for a great Italian dinner, we can go afterwards and have
dinner together there. This will be your own expense - always fun - great food - not
pricey.

Call Janet on her cell or text her 913-481-4663 to put you on the list.
