

Dance Is Music Made Visible...

Last week was a very special week for the Prospectors Club group. After many long days and hundreds of hours of practice, we got to see the culmination of hard work and sweat equity as we watched **Jeff Morgan and Kathleen Cussen** dance their hearts out 12 hours before their competition. **Paige Pruett from Grade A Tree Care** also participated.

It was all for a great cause - a benefit for the South Kansas City Chamber of Commerce. Jeff and Kathleen, and a long list for other couples, worked their buns off. There were no losers. Everyone that participated the event gave 100% effort and that makes them all winners.

We also got to meet their choreographer, Danielle Jenkerson, who gave of her time to help choose music and routine them the best she could. The end result was amazing. When you saw them move across the dance floor, their motion was so fluid and smooth. They seemed to float back and forth and around each other. Looking at what they do you totally realized how much work they put into their routine.

The turnout for the event was amazing with hundreds in attendance. And the venue, the Armacost Museum, if you've never

been there, was a great back drop that amazes you every time you go there. The real winner was the Chamber raising funds for their cause.

It's nice to know that Jeff and Kathleen have grown to know more about each other, not just from a business networking side, but from a level of sharing a common goal that both of them worked so hard to achieve. And as each of us watched their performance and sat in awe, we all knew what a special person it takes to do that. Our congratulations go out to both of them, and maybe at next year's event they will take home the coveted Mirror Ball trophy.

Officially Welcome Two New Members to the Prospectors Club.....

It is with great pleasure to Welcome to the Prospectors (now officially) Tyler **Webb of Tyler Webb DDS P.A.** It is so nice to have Tyler as our new dentist taking over the business of Bert Oettmeier, a long-time member of the Club. Bert still plans on taking an active role in the business, but on a limited basis (one day a week), allowing him to pursue other obligations and interests in support of dentistry in KC, Kansas, and on a national level as well. Congrats to Tyler and his family.

Our other new member is **Leigh Wagner of Kansas University Integrative Medicine.** She is a registered dietician and combines the best therapies from conventional medicine with their integrative medicine approach, to form a comprehensive system of biomedical care for their patients. Be sure to say HI to Leigh when you see her in the next few weeks.
