

A Simple and Easy Focus for the Club in 2019 – Be Present and Get Involved !!!

This year starts our 42nd year of networking as the **Prospectors Breakfast Club**. Several of the original founders are still involved with the Club. Which makes it so special for members having only a few years under their belts to look up to and have a chance to talk to those who have come before them.

Several weeks ago we installed our new Board of Directors and **Rod Foster of BancCard Credit Card Services** was installed as our trusted leader as **President**. Rod has that shy demeanor and personality; he really needs to come out of his shell and show his more aggressive side. LOL!

Rod really has a spirit and conviction to make 2019 something special. With his theme of making sure you attend meetings and functions we hold, and to get involved with what is going on, it is a no brainer with just a minor bit of effort, there will be energy flowing through the Club like we haven't seen in a while.

How does he plan to kick start this? By asking members to make the effort to show up at our weekly meetings on a regular basis. And when we have our other events (outside groups, socials, After the Facts, and Fundraisers) – those are the times when you need to try and attend to show support for those in the Club who are giving you an opportunity to learn more about them and their businesses and causes.

Or if that doesn't rock your boat, maybe think about having a one-on-one visit with a member who you normally do not have a lot of contact with. Someone who might be able to help you better your business. Someone who may have contacts you are looking to get referrals from. If you could schedule one a month, that would be great! Or even one a quarter may provide you with results you might not have gotten without the contacts and resources in the Club.

That is the other thing. We have so many different and diversified members that know so much, and may have experienced what you are trying to find an answer to. You cannot be shy. Start asking those around you if they can

assist with your question or problem. If they don't have an answer they may know who to talk to. It all starts with getting more involved!

Each of the Board members got up and talked about the goals they have for their Board positions and what plans lie ahead. **VP Tyler Webb** will assist Rod in gathering information and taking care of things Rod needs help with. **Janine Terstriep is head of Programs** and has already plotted out most of the year's speakers. If you know of some outside speakers you would like to hear, please let her know. And **Matt Paperi is your Membership Chairman**. If you are bringing a potential new member, be sure to clear it through Matt before they attend a meeting.

Brad Twigg is taking the reigns of Social Committee and has a few of our staple events planned, as well as some exciting new things in store. **Jim Bell is our endeared Treasurer**, and says all is well with our funds. Always good to hear that. And **Alan Goodheart will continue as Secretary** keeping you abreast of the latest news about the Club, events, births, deaths, where to be, and when to be there.

Last but certainly not least are your **Members at Large – Kevin Full, Amber Sewell, and Rich Sirna**. Your MAL's are there as a support for the Board to be your liaison to them. If you have a question to ask, and idea to present, or an issue that needs intervention, one of them can help bring it to the Board in a totally confidential manner and get the action you need handled in the best and fastest manner possible.

Kevin will be an assist to Brad Twigg of Social, Amber will work on After The Facts, and Rich will help Matt Paperi with social stuff.

So don't sit back in your seats and let the year start without you. Now is the time to get up! Get involved! Make a difference for not only YOU, but each of your fellow Prospectors. Now is the time – get out there and make 2019 the best EVER !!!
